**1. Call Meeting to Order:**

The meeting was called to order by Chair Judge Kendall Kelley at 3:33 p.m.

**2. Approve/Modify Agenda:**

**Motion made by Supervisor Pat Evans and seconded by D. A. Zakowski to approve. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**3. Approve/Modify Minutes of February 24, 2009:**

Supervisor Evans stated that in Item 7 of the Minutes, there is an error; the abbreviation for "Request for Information" should be "RFI" instead of "RFP."

**Motion made by Supervisor Evans and seconded by Supervisor Williams to approve as amended. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**4. Initial Report from the District Attorney Regarding Drug Prosecution:**

D.A. Zakowski distributed two handouts: (1) a summary of drug-related charges in Brown County for the First Quarter, 2009; and (2) a listing of the drug-related charges in Brown County through March, 2009. The abbreviations on the summary page are: CF–Felony; CM–Misdemeanor; CV–Civil; FO–Forfeiture; and JV–Juvenile.

D.A. Zakowski stated that the trend showed that drug-related cases are increasing in Brown County. During 2008 there were a total of 896 cases; and in the First Quarter, 2009, there were a total of 261. If this continues at this rate, Brown County will have over 1,000 cases in 2009.

Judge Kelley asked if we know of any patterns relating to time of year, such as whether or not there would be more cases during the beginning of the year. Judge Kelley also asked if there was a way to obtain referral information for

those cases that are drug-related but not charged with a drug-related offense, such as the person charged with burglary who commits this crime to obtain funds for drugs. D.A. Zakowski will check into obtaining this information in order to further identify patterns and the scope of the problem.

Supervisor Evans questioned the fact that in some instances the same defendant and case number was listed more than once. Judge Kelley expressed concern that listing someone twice would give a distorted view. Supervisor Williams asked the reason these were not listed in date order. D.A. Zakowski stated that he will verify.

Supervisor Evans asked if information was available concerning the defendant's county of origin and race. D.A. Zakowski indicated that information concerning race could be available. However, obtaining accurate information concerning a defendant's county of origin could be problematic, because he/she could have been in Brown County for 4 years even though he/she was from Milwaukee. D.A. Zakowski suggested a defendant's prior criminal record outside Brown County as a possible resource.

Judge Kelley stated that geographic information could be helpful. However, because it is advantageous to a defendant when trying to obtain bail to indicate that he/she is from Brown County, defendants don't always give accurate information. Judge Kelley suggested that the Drug Task Force work with the District Attorney's office to help obtain this information. Sheriff Dennis Kocken stated that this would not work, because this would really be speculative at times and, therefore, inaccurate.

Supervisor Williams stated that he felt this would be a waste of the Drug Task Force resources to do this in order to acquire incorrect information. He asked how useful this information would be, given the amount of time obtaining the information and the questionable accuracy. He further indicated that having this information would not change how law enforcement and the judicial system are to react. Supervisor Williams expressed concern that making this type of information available could lead to creating myths about a community and/or its residents.

Judge Kelley stated that he agreed in part, except that this information is being compiled for the Board in order to identify the problem. Supervisor Evans agreed that geographical statistics could help identify the root cause. Judge Kelley stated that the purpose of this is not to ever direct law enforcement, but the statistical profile would be a component of the complete picture of the drug problem in Brown County.

D.A. Zakowski stated that he will speak with the support staff to determine what additional information, such as age, race, gender, locality, and date of offense, could be provided for drug-related charges in 2009.

D.A. Zakowski indicated that Supervisors Williams and Nicholson had asked for an ordinance for unlawful possession of prescription drugs. D.A. Zakowski learned from Corporate Counsel that Brown County does not have the authority to do that.

Judge Kelley stated that the information from D.A. Zakowski's office was very helpful and asked D.A. Zakowski to express to his staff the appreciation of the Board for their efforts.

Jeffrey Jazgar questioned the fact that the second offense for a drug-related case is a felony compared to the fifth offense for an alcohol-related case. Jazgar was also concerned that the severity of the drug offense was not taken into consideration.

Judge Kelley indicated that Judge Zuidmulder could come back to report on the success of the Drug Court in order to help with this information-gathering process.

**Motion made by Supervisor Evans and seconded by D.A. Zakowski to keep this on the Agenda for the next meeting. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**5. Finalize Mission Statement/Statement of Purpose:**

Jazgar read the proposed Statement of Purpose (copy attached).

**Motion made by D.A. Zakowski and seconded by Supervisor Williams to approve as submitted. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**6. Status of Board Vacancies:**

**Motion made by Supervisor Evans and seconded by Supervisor Williams to move this Agenda item to the next meeting. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**7. Potential Community Drug Education Programs:**

Judge Kelley asked if anyone had the opportunity to gather information concerning available programs.

D.A. Zakowski will provide a list of programs with a synopsis at the next meeting and will e-mail this list to Human Services.

**Motion made by Supervisor Evans and seconded by Supervisor Williams to put this item on the Agenda for the next meeting. Vote taken. MOTION APPROVED UNANIMOUSLY.**

**8. Review 2008 CJCB Activities:**

**No Action Taken.**

**9. Video Audio Access to Jail Inmates:**

Jazgar asked that this item be tabled for 2 months.

Judge Kelley stated that Judge McKay has been involved in this on a statewide basis and Judge Kelley will follow up with Judge McKay for the next meeting.

**No Action Taken.**

**10. Such Other Matters as Authorized by Law:**

**None.**
